

# Harbour View Healthcare

## Vision Statement

**Harbour View Healthcare is a newly merged Practice and is committed to preserving its good reputation for being a caring and effective Practice**

**The Doctors, Nurses and all staff are dedicated to the provision of high quality patient care and best practice through the delivery of services which are patient centred, timely, considerate and responsive to the needs of our patient population.**

**To achieve this, we will**

- **Work together with patients and improve lives**
- **Provide quality care for all**
- **Show Compassion and be Community Centred**
- **Communicate and listen to and understand the needs of our patients and staff**

**Everyone Counts**
